Comparative Historical Sociology

NEWS NOTES

The section on Comparative Historical Sociology has been officially constituted by the American Sociological Association.

The San Francisco meetings were a great success. Many new members joined our group and both the social and business meetings were well attended. Those of you who could not make the San Francisco meeting will be welcomed at the forthcoming meeting in Detroit next year.

A number of announcements should be made at this time:

(1) In order for our section to continue to be recognized, both the regular ASA dues of \$30 plus the section dues of \$5 must be paid by every member. We urge you to send your \$35 to the ASA as soon as you receive the ASA's request for dues form. If you do not receive such a form, please send your dues to:

ASA  
1722 N Street, N.W.  
Washington, D.C. 20036

and specify the \$5 for the Comparative Historical Sociology Section.

(2) Many of the names and addresses received by us were difficult to decipher. Please send a name and address correction, if necessary to:

Dr. Donald Glassman  
Dept. of Sociology  
William Paterson College  
Wayne, N.J. 07470

(3) The section on Comparative Historical Sociology at its business meeting, elected its first president, secretary and council.
